A Short Company Profile

Main Operations:

Since 1995, Romidan LTD develops, manufactures, markets and exports high quality Dental and Medical products. All operations and activities are performed directly by us or via our affiliated companies.

Our Lines of Dental Products:

The following are the lines of Dental Products we offer:
RomiDRAPES™ - Sterile Cover Kits for Oral Surgery & Implantology
RomiDIAMOND™ - Dental Diamond Burs
RomiVAC™ - Single-Use Evacuation Tips
RomiAPEX™ - Apex Locators
RomiINSTRUMENTS™ - Single-Use Hand Tools

Quality system:

Romidan is ISO 9001: 2000 approved. All Dental and Medical products are CE 0483 certified.

Export Markets:

Our products are currently exported to Europe, South America and Eastern Europe, as well as other countries.

Affiliated companies:

Romidan Dental: Is responsible for the promotion, marketing and distribution of all our Dental Products.

RomiBRAS Ltda: Located in Brazil, RomiBRAS LTDA is our South-American Regional Office also responsible for direct sales of our products in Brazil.

RomiCON Ltd: Specializes in the fields of New-Product Development as well as International Commercialization.
